

Bowview Outdoor Pool's Admission Policy

- Swim times will proceed through rain or cooler temperatures, but not through unsafe weather (lightning, hail, heavy smoke) or mechanical failure as deemed by the facility staff. If a swim time is cancelled (due to unsafe weather or mechanical failure), facility staff will cancel the swim time before its designated start time. Patrons will not be allowed to enter the facility. Refunds will be issued to the original method of payment. **If patrons have started their designated swim time but must evacuate the pool, no refund will be issued. The pool may remain closed until conditions improve.**
- Admission may be purchased online, or as a walk-in customer. Walk-in spots may be limited.
- Anyone who enters the fenced area of the pool during public or lane swim must pay an admission fee of \$5.00 (includes GST). Each person regardless of swimming or spectating/not swimming counts towards the total pool capacity & Lifeguard to Patron ratio.

- A RESPONSIBLE PERSON (age 14+) MUST BE WITHIN ARMS REACH OF TOTS AND CHILDREN AGES 7 AND UNDER AT ALL TIMES regardless of swimming ability when on the pool deck, or in main or wading pool.

- On very warm days our facility will approach capacity.

The COSPA ratio policy is 1 guard per 40 patrons in the facility (swimmers or spectators).
The pool supervisor reserves the right to decrease this ratio to preserve the safety of patrons and due to staff availability.
- Lifeguards enforce rules, regulations, and respond to aquatic emergencies, but parents are ultimately responsible for the safety and behavior of their children.

- Smoking/vaping is not allowed anywhere within the fenced area of the facility or along front entryway.
Alcohol and drugs are strictly prohibited.
We reserve the right to require any patron to vacate the facility for abusive or inappropriate behavior, language, or dress.
