

Money Mentors

We're here for your
financial questions
and concerns.

Money Mentors is dedicated to helping Albertans find financial freedom. From credit counselling and money coaching to debt help and financial education, we can help you create a healthier financial future for you and your family.

You can win \$500!

Through our new monthly incentive program, eligible Albertans who complete our free online courses will be entered to WIN \$500! The more courses you complete, the greater your chances of winning. Click the Financial Education tab on our website to get started!
