- b) Selected Candidate – Overview of candidates selected – Many highly skilled individuals
- c) First Steps – Key priorities or tasks for them to complete.
 1. Data entry of surveys
 2. Get to know the task force and divisions
 3. Update website – in association with Jessica
 4. Get the rest of the surveys done
 5. Maintain email re: flood
 6. Volunteer recruitment

4) Survey

- a) Do we want to have a table at the event?
- b) Who can be at the booth?

Pat can attend, Kelly to support and bring forms, Karla to bring maps and markers

New info needed- what water was on street and at what time.

Karla will meet with Technical division to discuss the survey

5) Advocacy:

Technical team input. Current City recommendation for water management on the table for council in the near future does not adequately address Sunnyside's drainage issues. Suggest form advocacy group.
