SpacePort Calgary – Calgary International Airport

(403)-717-7678

<https://www.todocanada.ca/city/calgary/listing/spaceport-calgary/>

- A free exhibit located at the Calgary airport that contains a ¼ size prototype of the Space Shuttle orbiter (on loan from NASA), a moon rock, and hands-on displays and artifacts from the Canadian Space Agency.
- Includes a play area for children, equipped with touch-screen computer activities and video games.
- There are four simulators that can be used but do have a cost.
- To visit:
 - 2000 Airport Rd NE Calgary
 - Take Airport BRT (Route 300) from the City Centre
 - Located at Mezzanine Level (3rd floor), near Destinations Food Court. Enter the airport, take the escalator to Departures level, and look for banners and NASA Shuttle hanging from the ceiling.
